

*Hazboun Gravitional Physics
Research Group at Oregon
State Presents*

GravWISE

Gravitational Wave Investigative data
Science Experience

*a week-long workshop focused on
data science, computational
physics, and gravitational wave
astronomy research.*

Workshop Highlights:

- Lectures and Presentations
- Hands-on Activities
- Mentor-Guided Projects
- Practical Coding Skills

This program is aimed at physics students transitioning from 2 year to 4 year degree plans. Housing at Oregon State University and a weekly stipend will be provided to qualified students.

**28 JUL 2025 –
02 AUG 2025**

*at Oregon State
University, Corvallis OR*
